Official Address (with Designation, Ph. No& E-Mail ID)

Permanent Address: _____

*Rs. 2500/ Rs.250 for Life/ Annual Membership in the case of PG Students.
All payments must be in Indian currency only.

ABOUT SIKKIM

Sikkim Location: Latitude: 27-28°North, Longitude : 88-89°East

Sikkim is a beautiful Himalayan state located in north-eastern part of India sharing borders with China, Nepal and Bhutan. Its scenic beauty is famous worldwide.

Places of interest:

- (1) Guru-Dongmar Lake.
- (2) Yumthang valley with hot springs.
- (3) Seven sister falls.
- (4) Singhik closest view of Mt. Kanchendzonga).
- (5) Samdruptse, Solophok Chardham, Sai Mandir, Krishna Mandir
- (6) Temi tea garden, Tarey Bhir
- (7) Buddha Park, Ravangla.
- (8) Tsomgo (Changu) Lake, Baba Mandir, Nathula pass.
- (9) Gangtok Ropeway and famous MG Marg.

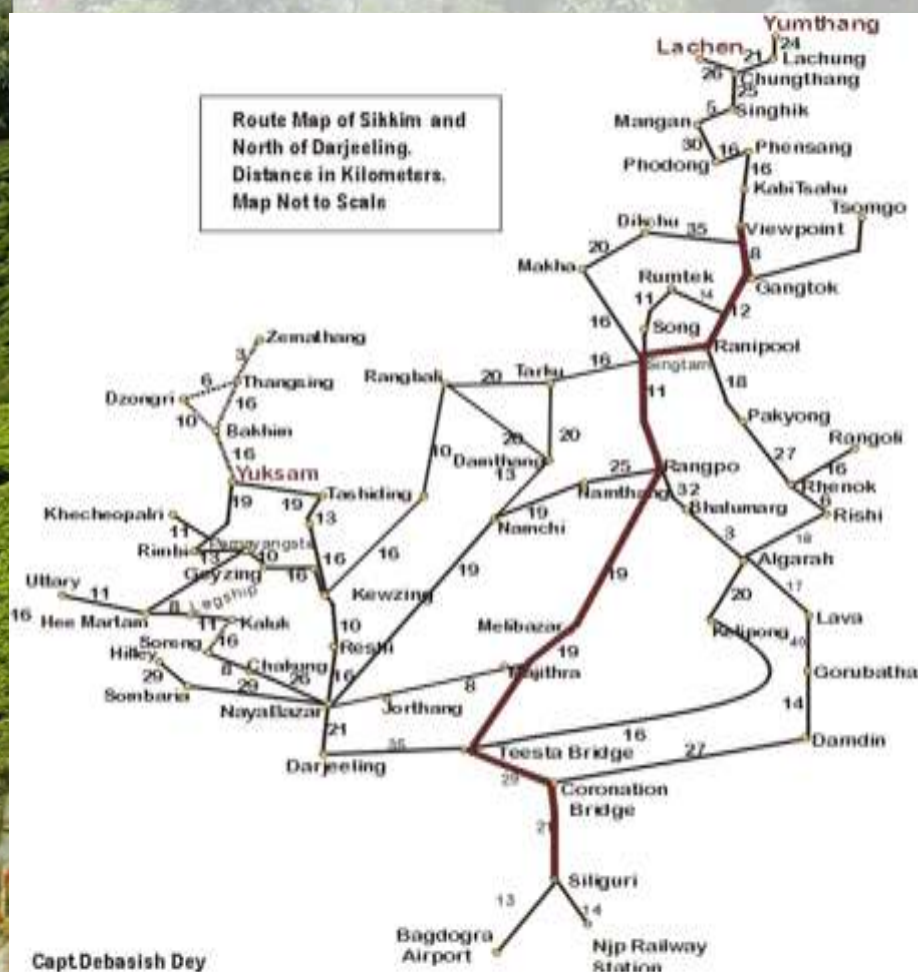

Adventure sports:

- (a) Trekking: Himalaya trek, Monastic trek, Rhododendron trek, Kanchendzonga trek.
- (b) River rafting: Teesta experience & Rangeet Experience.
- (c) Yak ride: Dzungri & Tsomgo lake.
- (d) Paragliding: Gangtok
- (e) Bird watching: Ravangla

TRANSPORT & COMMUNICATION:

- (a) Nearest airport is Bagdogra in North Bengal which is 124Kms & approximately 4hrs drive from Gangtok.
- (b) The closest railway station is New Jalpaiguri (NJP) in North Bengal which is 125Kms and approximately 4hrs drive from Gangtok.
- (c) Gangtok is connected by all weather road to Siliguri which is approximately 115 kms . The Sikkim Nationalised Transport provides regular bus service to Siliguri, plenty of private buses & Taxis are also available. Booking facilities are available in Siliguri & Gangtok.
- (d) Sikkim Tourism operates daily a five-seater helicopter service between Gangtok & Bagdogra.

TOXOCON-12

**12th ANNUAL NATIONAL CONFERENCE
OF
THE INDIAN SOCIETY OF TOXICOLOGY**

THEME: HUGS NOT DRUGS

The impact of drug abuse & dependence can be far-reaching, from damaging the person as well as society physically, financially, emotionally as well as socially. Drug abuse has been a menace worldwide & its trending with the youth of prime age results in loss of potential workforce of the society.

Venue : Auditorium, Level VI, Sikkim Manipal Institute of Medical Sciences,
5th Mile, Tadong, Gangtok, Sikkim

Date : 6th and 7th April 2018.

MESSAGE FROM THE ORGANIZING CHAIRMAN

Dear friends

We feel privileged to host 12th Annual National Conference of Indian Society of Toxicology, TOXOCON-12 at Dept. of Forensic Medicine & Toxicology, Sikkim Manipal Institute of Medical Sciences, Gangtok, Sikkim.

The conference is scheduled to be held on 6th-7th April, 2018 in beautiful city of Gangtok. The theme for TOXOCON-12 “Hugs not Drugs”, is aptly chosen looking at high rate of substance abuse prevalent all over. This conference is aimed to attract specialists from forensic medicine, medicine, pharmacology and psychiatry.

Sikkim boasts of beautiful landscapes, snow -capped mountains, lakes, temples, monasteries, rivers and much more. April is peak tourist season in Gangtok with pleasant weather.

Looking forward to welcome you all in April 2018 at Sikkim

On Behalf of Organizing team.

Regards

Dr. Prateek Rastogi
Professor & Head, Dept. of Forensic Medicine & Toxicology
Sikkim Manipal Institute of Medical Sciences, Gangtok

ORGANIZING COMMITTEE:

Chief Patrons: Lt. Gen. (Dr) M D Venkatesh, VSM (Retd)
Hon'ble Vice Chancellor, SMU

Prof (Dr) Ashis Sharma
Registrar, SMU

Patron: Air Marshal (Dr) G S Joneja, VM (Retd)
Dean, SMIMS

Organizing Chairman : Dr. Prateek Rastogi

Organizing Vice Chairman : Dr. K B Gurung

Organizing Secretary : Dr. Ashim Mishra

Joint Organizing Secretary : Dr. O T Lepcha

Treasurer : Dr. Karma M D Bhutia

Joint Secretary : Dr. Chedup Lepcha

ABSTRACT GUIDELINES (paper and poster)

The Abstracts must be structured, typed in English using MS-Word format with double spacing and Times New Roman (font size 12). Title should be in uppercase (font size 14). Abstract should not exceed 300 words and must be followed by 3-5 key words. The name of authors and affiliations should follow immediately under the title, highlighting the name of presenting author. DO NOT include degrees or professional designations. Original research, review papers, case study, case series etc. are welcome for presentation.

Only one paper/poster per delegate is permitted. Final decision regarding the type of presentation (Paper/Poster) rests with the organising committee. Details for paper/poster presentation will be informed to participants along with acceptance letter.

Conference attendance and paper/poster presentation is open to all but entry to award session is restricted to life/annual members of the Indian Society of Toxicology. Non-members can avail the opportunity to compete in the award session by enrolling as either annual or life members of IST. Best paper/poster in Faculty and PG category will be awarded separately. The newly enrolled members can also reap the benefits of getting their papers published in the prestigious Journal of Indian Society of Toxicology (JIST) as per the rules and regulations of the society.

Last Date of Abstract Submission : 31st January 2018.

Intimation of acceptance : 15th February 2018.

Must be submitted by e-mail only : toxocon2018gangtok@gmail.com
(as e mail attachment only)

NOTE: There will be a TOXIQUIZ for the PG students on substance abuse during the conference and winners will be awarded by IST. (Open only to members of IST)

PG students should attach a certificate from HOD.

Indian Society of Toxicology Life Support Course (ISTOLS)

TOXOCON-12

Bedside Training in Managing Toxicological Emergencies

Duration : 4 hours	Venue: Sikkim Manipal Institute of Medical Sciences, Gangtok, Sikkim	
Date: 7 April 2018	Fee: Rs 4000/- (Rs 2500/-For registered delegates of TOXOCON-12) (refer main conference brochure for mode of payment) Last date for registration is 28 th February 2018	
Target Participants (30 max on 1st come first serve basis): PG Students/Faculty in Forensic Medicine, Internal Medicine, Emergency Medicine, Critical Care, Final Year MBBS Students & Interns, MBBS Doctors and any other interested health care professionals		
Unique Program Indian Society of Toxicology Life Support Course (ISTOLS) will be the pioneering program in India for practical clinical toxicology training for healthcare professionals in the management of patients exposed to poisons, toxins, chemicals, & drug overdoses.	High Utility Join the list of toxicologists, emergency physicians, critical care experts and other healthcare professionals who will be acquiring toxicology training and expertise to tackle the challenges of caring for patients exposed to toxicants, drugs, and venomous bites & stings.	Authentic ISTOLS course is presented by Indian Society of Toxicology (IST), a trusted body for toxicology research in the Indian subcontinent. ISTOLS course material will be prepared by national and international experts who have many years of experience in the field of clinical toxicology.

As with any basic or advanced life support course, it is important to have a systematic approach in managing toxicological emergencies of a particular geographical region, which varies from tropics to temperate regions to extreme climates, each having a unique variety of chemicals, drugs, toxic plants, and animals.

ISTOLS course is a unique program with bedside simulation training organized by experts in the field of Toxicology, addressing the common poisonings found in the Indian subcontinent. Participants will learn to identify poisoning, recognise drug overdoses, recall relevant antidotes with routes and doses, and utilize the resources available at the bedside in rescuing critically poisoned patients.

Participants will undergo simulation training for understanding the pathophysiology of poisoning and envenomation, and will get practical tips in administering specific treatment, antidotes, anticipating adverse events of therapy, and preparing mind maps for future practical situations in real life.
